

# Propeller Club PortMiami

To secure, sustain and expand the economic impact, presence and influence of the maritime and transportation industries locally, nationally, and internationally.

## About Us

The International Propeller Club of the United States is an international business network dedicated to the promotion of the maritime industry, commerce, and global trade. There are more than 80 Ports in maritime locations around the world, including almost 30 in foreign cities.

Chartered in 1930, the Propeller Club PortMiami is by far the oldest maritime industry trade association in South Florida

## Why Join?

Membership in the PC-PM focuses on the local commercial and recreational marine industry and provides a network for all those who wish to engage, work, and succeed in the maritime, transportation, and related industries.
